

TARANTO PORT AUTHORITY

International and General Affairs/Planning/Human Resources Division

PRESS RELEASE OF FEBRUARY 15th, 2016

SUBJECT: Public call for tenders in compliance with law nr. 84/94, law nr. 241/91, the Italian Code for Navigation and its implementing Regulation, the Ministerial Circular nr. 41/I series by the Italian Ministry for Transport and Navigation dated 06.05.1996, the Regulation entitled “Administrative procedures in the field of Public Maritime Domain” adopted by Taranto Port Authority with the Ordinance nr. 12/15 of 22.09.2015 to consent one or more concessions concerning the Multipurpose Pier domain in the Port of Taranto, by the Competitive dialogue procedure - Launch of the tender procedure.

The Port Authority – for the purposes of developing trade and logistics, with particular reference to container transport by ocean liners/feeders along with general cargo and ro-ro – aims to pursue and consent, according to the set of institutional rules provided by Italian law nr. 84/94, one or more concessions concerning the Multipurpose Pier domain in the port of Taranto, by launching a public call for tenders.

Therefore, in order to enforce the resolution no 1/16 of 28.01.2016 by the Port Committee, the call notice concerning the subject has been sent today to the Official Journal of the European Union (OJEU) for the publication.

Taranto, 15.02.2016
